General Comment

Ladies and Gentlemen,

I am writing to inform you that I am not all in agreement with this proposed rule. I am very capable to make my own choices for investment and do enjoy the freedom to do so. You are not responsible for my future and do certainly appreciate it if you would kindly cease attempting to do so. I need you to let me handle my own retirement and stop enacting laws that take away my freedom of choice. Thanks for protecting those freedoms over the years and please continue to do so as that is your job. However please leave well enough alone any other effort to further control my options in any category of my life.
